Product Description

Echo DPB-2500R2 56V Handheld Blower Kit

SKU/Model: ECDPB2500R2

The **Echo DPB-2500R2** is a powerful 56V cordless blower that rivals gas performance without the noise or emissions. This kit includes a 5.0Ah battery and a rapid charger, providing long runtimes for clearing driveways, decks, and sidewalks. It is the perfect solution for noise-sensitive environments.

Key Features & Benefits

- **Turbo Button:** Delivers up to 549 CFM for moving stubborn, wet debris.
 - **Brushless Motor:** High-efficiency motor provides more power, longer runtime, and increased durability.
 - **Cruise Control:** Allows you to lock the throttle at any speed to reduce hand fatigue.
 - **Rubber Overmold:** Ergonomic handle grip for superior comfort during extended use.
-
