Product Description

Echo MS-5010BP 5-Gallon Piston Backpack Sprayer

SKU/Model: MS-5010BP

The **Echo MS-5010BP** is a professional-grade backpack sprayer featuring a large 5-gallon tank for extended coverage on big jobs. Equipped with a heavy-duty piston pump, this sprayer generates high pressure for reaching tall branches or dense foliage, making it a staple tool for commercial landscapers and large property owners.

Key Features & Benefits

- **High-Capacity Tank:** 5-gallon tank with UV inhibitors and a wide 5.5-inch opening for easy, spill-free filling.
 - **Piston Pump Performance:** Engineered to produce high pressure for a fine mist or long-range stream application.
 - **Superior Filtration:** 4-stage filtration system prevents debris from clogging the pump and nozzles.
 - **Commercial Comfort:** Padded shoulder straps and integrated back support reduce fatigue during prolonged use.
-
